IDN SUMMIT AND EXPO

2010 SPONSORSHIP GUIDE

SPRING
April 20-22, 2010
Walt Disney Swan Resort
Orlando, Florida

FALL
September 21-23, 2010
Arizona Grand Resort
Phoenix, Arizona

"I find that the ROI from the networking; educational topics, presenter quality and materials; reverse expo; and interacting with all key supply chain players under one roof at once is extremely valuable for me and my key supply chain staff for very little investment as the paramount reasons we keep coming back to the IDN Summit each time. Its time the C-Suite embraces Supply Chain re-engineering as a key part of hospital and health system financial and operational viability."

Frank J. Cirillo
Senior Vice President and Chief Restructuring Officer
NYC Health and Hospitals Corporation
